Website Chapter

The image shows a laptop displaying a travel website for Tanzania. The main page features a large elephant in the background with the text "The ultimate African adventure". Below it, there's a "View Price" button and an "Explore" button. To the left, there's a sidebar with sections for "1.5Millions", "5.8Kg meters", "Zanzibar", and "Custom Made". A circular inset in the bottom-left corner shows a mobile version of the same website, which has a similar layout with sections for "Explore Tanzania with ACA" and "Custom Made".
